Remote AMI Service Charges For 2013

The rollout of advanced metering infrastructure (AMI, or smart meters) to households and small businesses has enabled metering services (that were previously provided through a field officer visit) to be provided remotely to customers.

The charges for remote services are set out below. These charges are valid till 31 December 2013.

Remote AMI Services	Product Code	Price (GST Exclusive)	Price (GST Inclusive)
Remote Re-energisation	REENRM	\$5.46	\$6.01
Remote De-energisation	DEENRM	\$5.46	\$6.01
Remote Meter Reconfiguration	MECFRM	\$34.52	\$37.97
Remote Special Meter Read	SPRDRM	\$1.62	\$1.78
