- * The rates listed are the rates charged to retailers of electricity for the use of Country Energy's distribution system.
- * These rates are inclusive of charges levied on Country Energy by transmission network service providers and government legislation.
- * Country Energy is required to contribute towards the Climate Change Levy which is used to support energy saving initiatives across New South Wales.
- * Network Charges do not include the cost of energy.
- * Transmission and distribution loss factors, applicable for the purchase of energy transported through Country Energy's network are available on NEMMCO's website at www.nemmco.com.au.
- * Loss factors are not to be applied to network charges.
- * Where neither Urban or Rural is mentioned in the Description of the Tariff, that Tariff covers both Urban and Rural areas.
- * For further details and applicability of tariffs and TOU period definitions, please refer to the Network Price List Explanatory Notes Effective 1 July 2008.
- * Cost Reflective Network Prices (CRNP) rates are applied to customers with an electrical demand of >10MW or a load of >40GWh per annum, please contact Country Energy for CRNP rates.
- * Country Energy 2008/09 DLF codes and rates are available on NEMMCO's website at <http://www.nemmco.com.au/psplanning/psplanning.html#loss>
- * For Network Price List enquiries, please contact our Customer Service Centre, telephone 13 23 56.

Amendments - Issue 3

- * Energy Savings Fund renamed Climate Change Levy in third dot point.
- * DLF codes and rates removed and reference added to NEMMCO's website.
