

Modified Load Export Charge for 1 July 2017 to 30 June 2018

Tasmanian Networks Pty Ltd (TasNetworks) is the sole transmission network service provider in the Tasmanian region and is therefore responsible for the calculation of modified load export charges (MLEC) for the region.

The MLEC payable to TasNetworks by AEMO for the Tasmanian region in 2017-18 is \$4,557,589 (excluding GST).

MLEC for financial year 2017-18

Item	Amount (\$)
MLEC for the Victorian region	\$4,557,589

TasNetworks has calculated the MLEC in accordance with clause 6A.29A.2(b) of the “Rules”.
